DE LA SEGURIDAD DE LA INFORMACIÓN

The poster features a green background with a grid of squares. In the center, the word 'CISO' is written in large, yellow, stylized letters. Above it, the word 'Equipo' is written. To the left, the word 'retos' is written. Below 'CISO', the word 'competencias' is written. At the bottom, the word 'profesionales' is written. In the background, there are silhouettes of three people walking. The text 'estructura' and 'normas' is also visible. On the right side, the title 'V Jornada Internacional' is at the top, followed by 'La organización de la seguridad: El laberinto del CISO' in large yellow letters. Below that, the date '28 de mayo de 2009' and the location 'Auditorio de la Mutua Madrileña, Paseo de la Castellana 33, Madrid.' are listed.

Fifth International Conference ISMS Forum Spain

The Organization of Security: The Labyrinth of the CISO

28 May 2009 – Mutua Madrileña, Paseo de la Castellana, 33, Madrid - Spain

Goals of this conference

1. Gain knowledge on the most effective organizational structures and models in Information Security Management, presented by renowned international and Spanish experts.
2. Learn in detail about the role of the CISO: which are his/her competences, which skills should he/she have, what is the ideal team for a CISO and which are the most important challenges for executives in this position?
3. Exchange experiences and get a chance to practice networking with about 300 professionals in the Information Security sector in interactive sessions, as always, open for discussion with the public.
